

# The Birdhouse

Being one of the premier indoor bird exhibitors in the country, Riverbanks Zoo & Garden's Birdhouse gives your event guests the unique experience of partying amongst some of our resident feathered friends. Elegant Caribbean flamingos greet your guests as they enter under a grand wooden pergola - creating a breathtaking first impression. Upon entering, a sky-lit atrium with high ceilings and towering trees offers a perfect, open space for seated tables, food stations, or a bar. Socializing and networking have never been more fun while in the company of penguins, hornbills, and other exotic birds! The Birdhouse is available for private events one hour after the Zoo closes and includes tables, chairs, set up, clean up and an event supervisor.
